ILLINOIS STATE TREASURER

2019 LIVE AUCTION BOOKLET

SATURDAY, AUGUST 17 • 11:00 AM • ILLINOIS STATE FAIR

TERMS AND CONDITIONS OF SALE

AUCTION DATES, TIMES & LOCATION

- The auction shall be conducted on August 17, 2019 at the Illinois State Fairgrounds (Lincoln Stage), Springfield, IL, starting at 11:00 A.M.

CONDITION & DESCRIPTION

- The condition of the items being offered varies greatly. The buyer understands and agrees that the items are sold and accepted by buyer on an "AS IS, WHERE IS" basis with all faults. Any description of items offered by the Office of the Illinois Treasurer ("Treasurer") or its agents is for general informational purposes only, and the items may or may not be exactly as described. The Treasurer offers no warranty or guarantee of condition of authenticity or any item.

INSPECTION & VIEWING

- Bidders are urged to inspect items prior to bidding. Photographs may not show all items in a given lot.
- All of the items will be available for inspection on July 29, 2019 from 10:30 a.m. until 3 p.m. in the Illinois State Capitol (First Floor), Springfield, IL. A selection of items will be available for viewing at the James R. Thompson Center, 100 W. Randolph St., Chicago, IL on August 5, 2019 from 10:30 a.m. until 2 p.m.
- Announcements made the day of auction take precedence over all printed matter.

REGISTRATION

- Persons wishing to bid on items at the auction are required to obtain, complete, and submit a bidder registration card (presented with a driver's licenses/state ID card for verification) at the auction venue prior to the sale. Upon submission and approval of a bidder registration card, each bidder will obtain a bidder number to complete registration.
- Note: Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of the registered bidder and is contractually binding on the registered bidder.

BIDDING

- The live auction shall be conducted as an open outcry public auction with progressive bidding. At the close of the live bidding the Auctioneer shall accept the highest bid received, provided that such bid equals or exceeds the unpublished reserve price for the lot. It is each bidder's responsibility to pay attention to items being offered for sale and to bid on items in which the bidder is interested. By bidding, you agree that if you are the high bidder for any lot, you are forming a legal and binding contract to purchase that lot. Do not bid if you do not intend to pay for the item. Do not bid past your available funds, because all purchases must be settled by the completion to the auction. Generally, items are sold in the sequence as listed in the sales catalog. Lot numbers and lot/item descriptions are for administrative purposes only and may not describe the item accurately. Bidders are responsible to ensure the lot number or announced description of any item they intend to purchase matches the item inspected. Sales of items will not be canceled due to bidder misunderstanding, failure to pay attention to the bidding, or failure to inspect items.

PAYMENT

- Payment must be received and items removed from the auction site no later than upon completion of the auction.
- Accepted methods of payment are American Express, Discover, Master Card, and Visa, as well as cash. Please make certain that all successful bids are within credit card limits and bidders must make all necessary arrangements in advance of the auction. Personal checks, money orders, or cashier's checks will not be accepted.
