Addendum 1
January 22, 2020

Below are the questions received by the Office of the Illinois State Treasurer (“Treasurer”) and the Treasurer’s responses. The questions listed herein are intended to be accurate representations of the questions received; as such, any errors in usage or spelling have not been corrected. Any capitalized terms that are not defined herein have the meaning set forth in the Request for Proposals Data Matching Services: Mailing Addresses (370-400-20-003) (“RFP”) published by the Treasurer on January 2, 2020.

1. There appears to be two different response due dates listed in the RFP. The January 31, 2020 response due date is listed on the cover page, page eight, and page nine, while the January 24, 2020 response due date is listed on RFP page three and page eleven. Please confirm the date proposal submissions are due.

Proposals are due Friday, January 31, 2020. Please see Addendum 2 for the date correction.

2. Please clarify the number of documents that must be submitted under Appendix A. Provision IV.A.8. State Certifications and Disclosures refers to “three (3) fully executed documents”, but upon review of Appendix A, only Form A and Form B can be located. Please confirm if a third form must be included with proposal submission, and if so, where Respondents can locate the document.

The Appendix A attached to the RFP omitted a disclosure page. Please see Addendum 2 for the corrected Appendix A, which must be completed and submitted with all Proposals.

3. Who is the current (or most recent) provider of the requested services?

Experian Information Solutions, Inc. and Experian Marketing Solutions, Inc. is the current provider of the requested services.

4. What is the annual contract value for the current (or most recent) contract for the requested services?

In the last twelve calendar months, the Illinois State Treasurer paid the current contractor approximately \$20,586.59.

5. Scope of Services: What are the estimated volume of subjects and the frequency/periodicity for each batch run (e.g., 10,000 subjects monthly)?

The estimated volume of subjects is 250,000-399,999 annually.

6. Would file transfers happen once annually or periodically, such as monthly?

The file transfers would happen monthly or on an “as needed” basis.
