

FIFTEENTH INTERGOVERNMENTAL INVESTMENT AGREEMENT

The Illinois Office of the State Comptroller (“IOC”) and the Office of the Illinois State Treasurer (“Treasurer”) (collectively, “the Parties”), pursuant to the Intergovernmental Cooperation Act (5 ILCS 220/1 *et seq.*), do hereby enter into this Fifteenth Intergovernmental Investment Agreement (“Fifteenth Investment Agreement” or “Agreement”) as of November 23, 2020 (the “Effective Date”).

WHEREAS, IOC and Treasurer are public agencies as defined under the Intergovernmental Cooperation Act;

WHEREAS, as of September 28, 2018, IOC and Treasurer entered into an Intergovernmental Agreement for Permitted Investments (“IGA”);

WHEREAS, the IGA allows Treasurer to invest in privately placed debt instruments issued by IOC to assist IOC to pay outstanding vouchers, as permitted by Section 22.5 of the Deposit of State Moneys Act, 15 ILCS 520 (“Act”); and

WHEREAS, the Parties wish to enter into this Fifteenth Investment Agreement allowing Treasurer to invest in a debt instrument issued by IOC in accordance with the IGA.

NOW, THEREFORE, the Parties do hereby agree as follows:

1. Term. The term of the Agreement shall begin upon the Effective Date and shall continue until IOC has repaid Treasurer in full in accordance with this Agreement (“Term”).
2. Investment Amount. On the Effective Date, Treasurer shall initiate transfers totaling \$400,000,000 (the “Investment”). The Investment shall be drawn from the funds in the State’s investment portfolio identified in the attached Exhibit A. IOC shall deposit the Investment into the General Revenue Fund or Health Insurance Reserve Fund, as determined by IOC. If any of the funds identified in Exhibit A have a liquidity issue that cannot be resolved by an early repayment, Treasurer shall initiate transfers drawn from the contingency funds identified in the attached Exhibit B. Within one business day following such a contingency fund transfer by Treasurer, IOC shall initiate transfers from the General Revenue Fund or Health Insurance Reserve Fund, as applicable, into the Exhibit A fund identified by Treasurer to resolve the liquidity issue.
3. Investment Period. The Investment shall mature upon six months from the Effective Date (“Maturity Date”). All interest accrued during the investment period shall be paid upon the Maturity Date. Within 60 calendar days following the Maturity Date, IOC shall pay to Treasurer all principal due. For any balance of principal outstanding not paid to Treasurer within 60 calendar days of the Maturity Date, or any balance of interest accrued not paid to Treasurer upon the Maturity Date, IOC shall pay Treasurer a penalty of 300 basis points (3.00%) above the interest rate set forth herein based on the 30/360 accrual method, unless waived by Treasurer in writing. To effectuate the repayment of the Investment, IOC shall order and Treasurer shall transfer amounts sufficient to cover all principal, interest, and any penalty amounts due.
4. Interest Rate. IOC shall pay interest to Treasurer on the outstanding principal balance of the Investment for each full calendar month during the Term. The interest will be calculated on the

basis of a 360-day year consisting of 12 months of 30 days each; interest for the full or partial calendar month will be calculated on the basis of a 360-day year and the actual number of days elapsed (the "30/360 accrual method"). The market established variable rate to which the interest rate shall be tied is as follows: 100 basis points, based on the 30/360 accrual method plus: (1) for the first six months, the Six-Month London Interbank Offered Rate ("LIBOR"), as determined on the Effective Date, or (2) for any period beyond the first six months, a rate agreed upon by the Parties. In no case shall such interest rate exceed the lesser of the penalty rate established under the State Prompt Payment Act or the timely pay interest rate under Section 368a of the Illinois Insurance Code.

5. Termination. The Agreement may be terminated by Treasurer if IOC fails to repay Treasurer in accordance with the Agreement or any other investment agreement entered into between the parties pursuant to the IGA. Prior to terminating the Agreement, Treasurer shall issue a written notice to IOC requesting repayment. If repayment is not furnished to Treasurer within five (5) calendar days, the Agreement may be cancelled. Upon such cancellation, IOC shall immediately pay all outstanding principal, interest, and penalties owed to Treasurer under this Agreement. Any outstanding balance after the date of cancellation pursuant to this Paragraph 5 shall accrue additional interest as a penalty in accordance with Paragraph 3. Failure by Treasurer to issue a notice or cancel the Agreement does not waive any of Treasurer's rights to issue subsequent notices.
6. Early Repayment. Either Party may request an early repayment or early call of any or all capital invested at any time; provided, however, that such a request may only be made upon 15 calendar days' notice to the other party. The 15-calendar day notice period may be waived by mutual agreement of the Parties. Requests for early repayment shall be in writing. Both principal and interest will be due upon the effective repayment date. To effectuate the early repayment once granted, IOC shall order and the Treasurer shall transfer amounts sufficient to cover the agreed upon principal and interest due, in accordance with the Act.
7. Assignment. This Agreement may not be assigned, in whole or in part, by either Party for any reason, without the prior written consent of the other Party.
8. Records Retention. Pursuant to applicable retention schedules, the Parties shall maintain for the appropriate time periods adequate books, records, and supporting documents. If an audit, litigation, or other action involving the records is begun before the end of the applicable record retention period, the records shall be retained until all issues arising out of the action are resolved. Notice shall be given to the Parties or their successors in accordance with paragraph 13 of this Agreement in the event the Parties become aware of an audit, litigation, or other action.
9. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. Any claim against the State or a State agency arising out of this Agreement must be filed exclusively with the Illinois Court of Claims, 705 ILCS 505/1 *et seq.*, when said claim is within the jurisdiction of the Court of Claims.
10. Entire Agreement. This Agreement contains the entire agreement between the Parties and supersedes all previous versions of this Agreement and proposals, oral or written, regarding the matters addressed herein. This Agreement may be amended upon the mutual written agreement of the Parties.

11. Severability. If any provision in this Agreement is held to be invalid, illegal, void, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not be affected.
12. Headings. Section and other headings contained in this Agreement are for reference purposes only and are not intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement or any provision thereof.
13. Notices. All notices required to be given pursuant to this Agreement shall be in writing and addressed to the parties or their successors at their respective addresses set forth below. All such notices shall be deemed duly given if e-mailed, personally delivered, or if deposited in the United States mail, registered or certified return receipt requested.
