

Name: _____

Image Analysis

Step 1: Look deeply at everything in the picture including the positions of people, objects, signs, and expressions on their faces. Write down your observations.

Step 2: What questions do you have about this picture that you would need to have answered before you can begin to interpret or make a decision about it?

Step 3: Discuss your questions with your group. Try to figure out the answers to everyone's questions.

Step 4: What do you think the photographer is trying to show you about this time period?

Step 5: Does your group have any guesses as to where and when this picture is from?
