

Name: _____

Connect / Extend / Challenge

Connect: How are the ideas and concepts you have learned connected with information you already knew?

Extend: What new ideas did you learn that extend or push your thinking in new directions?

Challenge: What challenges or confuses you about this topic? What new questions do you have that you never thought of before?

Think about the above question 'How does the relationship our government has with other countries affect workers?'. After reflecting, fill out the table on the other side of the paper to Connect, Extend, and Challenge your knowledge.
