

To Insure or Not?

As mentioned in your reading, there are many other types of insurance besides what is required (auto, health, and in most cases, home). Explore the different voluntary insurances you can purchase. Choose one to research and then write a persuasive paper on whether people should get it. Make sure you to write down the credible resources you are using and attach it to your paper.

Research Outline

Type of Insurance: _____

Pros	Cons

Three main points for paper:

1. _____

2. _____

3. _____
