2019 Cream of the Crop Photo Contest Now Open  
7th Annual Contest Honors Youth and Agriculture

SPRINGFIELD – Illinois State Treasurer Michael Frerichs is encouraging young photographers to submit photos for the 2019 *Cream of the Crop Photo Contest*. The contest encourages young photographers to share their vision of agriculture in our state.

“Illinois continues to be a leader in farming and strives for agricultural diversity,” Frerichs said. “This contest gives students an opportunity to capture the beauty of our state and showcase the importance of agriculture in Illinois.”

The treasurer’s office is accepting electronic submissions for the *Cream of the Crop Photo Contest* from Illinois students, ages 8-18. Top photographs will be chosen in three age-based categories: ages 8-10, 11-14, and 15-18. Each student is allowed to submit up to two photos by June 26, 2019.

The photo contest is part of the Ag Invest program and offers an opportunity for Illinois students to submit their most innovative or scenic picture that depicts their vision of agriculture in our state. Winning photos will be featured in Ag Invest marketing materials and at the 2019 Illinois State Fair.

Ag Invest is one of the nation’s largest agricultural linked deposit programs. It helps hundreds of Illinois farmers and agriculture professionals. The treasurer’s office, through the Ag Invest program, partners with eligible lenders to offer farmers and ag businesses annual and long-term, low-interest loans which can be used for operating costs, equipment purchases, construction-related expenses, and livestock purchases.
