Examples of Diverse Candidate Search Language

D E C E M B E R 2 0 1 8

This document contains a compendium of best practice diverse search policies adopted by U.S. public companies. The majority of the policies are the result of corporate engagements led by several investors including the UAW Retiree Medical Benefits Trust, The Midwest Investor Diversity Initiative, Office of New York City Comptroller Scott Stringer and NorthStar Asset Management. In some cases, companies have voluntarily adopted diverse search policies. All of the policies reflect key provisions of a diverse search policy in which female and minority candidates are considered in the initial list of candidates for every open board seat. The corporate governance community has drawn on the experience of the NFL's "Rooney Rule" which requires that minority candidates be interviewed for every open coach and top manager position. By broadening the "Rooney Rule" to include women and minorities, investors have assisted the nominating and governance committees of corporate boards in meeting their objectives to consider qualified diverse candidates for board positions.

The compendium was prepared by the UAW Retiree Medical Benefits Trust. For more information, please contact Virgus Volertas, Senior Corporate Governance Analyst, UAW Retiree Medical Benefits Trust at vvolertas@rhac.com.

AMAZON ("BOARD MEMBERSHIP" SECTION OF THE GUIDELINES ON SIGNIFICANT CORPORATE GOVERNANCE ISSUES)

“The full Board, on the recommendation of the Nominating and Corporate Governance Committee, nominates candidates for election to the Board. In selecting candidates for recommendation to the Board, the Nominating and Corporate Governance Committee annually reviews the tenure, performance, and contributions of existing Board members to the extent they are candidates for re-election, and considers all aspects of each candidate's qualifications and skills in the context of the needs of the Company at that point in time with a view to creating a Board with a diversity of experience and perspectives, including diversity with respect to race, gender, geography, and areas of expertise. Accordingly, the Nominating and Corporate Governance Committee includes, and has any search firm that it engages include, women and minority candidates in the pool from which the Committee selects director candidates.”

GENERAL ELECTRIC (DEF 14 ENHANCING THE BOARD'S DIVERSITY OF BACKGROUND)

"GE has been committed for decades to building a cognitively diverse Board comprising individuals from different backgrounds and with a range of experiences and viewpoints. Specifically, under the Board's diversity policy, the Governance Committee considers attributes such as race, ethnicity, gender, cultural background and professional experience when reviewing candidates for the Board and in assessing the Board's overall composition. The Board acknowledges that the new and smaller Board will be less diverse following the retirement of several directors in 2018, including GE's three longest-tenured directors, all of whom are women. The Board is committed to using future refreshment opportunities to strengthen its cognitive diversity, beginning with the recruitment of a new director in 2019, following Jack Brennan's retirement. To accomplish this, the Governance Committee will continue to require that search firms engaged by GE include a robust selection of women and ethnically diverse candidates in all prospective director candidate pools. In addition, the Governance Committee is committed to interviewing women and ethnically diverse candidates for all future vacancies on the Board."
