Invitation for Bids
Janitorial Services

Addendum 1
September 27, 2022

Below are the questions received by the Office of the Illinois State Treasurer (“Treasurer”) and the Treasurer’s responses. The questions listed herein are intended to be accurate representations of the questions received; as such, any errors in usage or spelling have not been corrected. Any capitalized terms that are not defined herein have the meaning set forth in the Invitation for Bids Janitorial Services 370-800-23-021 (“IFB”) published by the Treasurer on September 21, 2022.

1. Is this the same one you bid on?

Recently, the Treasurer directly solicited quotes and completed a small purchase to meet a temporary janitorial need. However, this IFB is distinguishable from the direct solicitation as it is a different procurement process and includes additional Services, contemplates an initial three (3) year term and will replace the Services being currently provided.

2. I was overlooking the RFP and I did not see the square footage of the building, and will there be a scheduled site visit?

There will be no site visit, but please note the Marine Bank Building is a three (3) story building with approximately 87,000 square feet of used office space.
