

The ILLINOIS Funds

Investment Policy Update
November 15, 2016

Dear Illinois Funds Participant,

In an effort to meet our goals of safety, liquidity, and highest return on investment while aligning with statutory requirements we revisit our investment policy regularly.

As such, The Illinois Funds investment policy went through a recent review and has been updated. The investment policy was distributed to participants with the September statements and went into effect on **November 15, 2016**.
