Illinois State Treasurer Michael Frerichs today hosted a celebration to commemorate LGBTQ+ History Month in Chicago.

The event was an opportunity to reflect on the significant achievements of lesbian, gay, bisexual, transgender, and queer people, and their allies. Frerichs presented awards to leaders in the community, education, government, workforce and labor, and arts and humanities.

“As we observe the 30th anniversary of LGBTQ+ History Month, today we honor the contributions of our LGBTQ+ neighbors and friends,” said Frerichs at the event at the state government building, 555 W. Monroe St. “We are grateful for their dedication to justice and equal opportunity, and we thank them for their commitment to making our state and our world better.”

LGBTQ+ History Month was started in 1994 by Rodney Wilson, then a Missouri high school teacher who thought the historical importance of gays and lesbians should be emphasized. From those small steps, the month grew. The Equality Forum now champions the promotion of the history month, shedding new light on past accomplishments at equalityforum.com.

Treasurer Frerichs honored the following individuals for their outstanding commitment to their Illinois communities:

Outstanding Service in Business

Laura Ricketts

About the Illinois Treasurer

The Illinois State Treasurer's Office is a powerful economic engine that invests in people to drive prosperity, development and growth throughout the state. As State Treasurer, Michael Frerichs (FRAIR'iks) is the state's Chief Investment and Banking Officer and actively manages approximately \$60 billion. The investments help families pay for college and trade school; workers save for a dignified retirement; and local governments process bill payments more efficiently so they can pass along the savings to taxpayers. The office provides financial institutions money to loan to farmers, small business owners, and qualified individuals at below-market rates because better jobs create stronger communities. The office operates the state's largest consumer-protection initiative, the unclaimed property I-Cash program, which has returned a record-breaking \$2 billion since Frerichs was elected.
