## Treasurer Frerichs Brings Home Fourth Consecutive Gold for Bright Start 529 Plan

*Morningstar: Bright Start Earns Fourth Valedictorian Mention*

**CHICAGO** – Illinois State Treasurer Michael Frerichs today announced that Illinois’ 529 college savings plan, Bright Start, again earned a top ranking from Morningstar, one of only three Gold-rated 529 plans in the country.

“Since I took office, I’ve made it a priority to create college savings programs that earn the trust of Illinois investors,” Frerichs said. “Saving for college is the best investment parents can make for their children’s future because it reduces the burden of long-term debt.”

A child is three times more likely to attend college if they have a dedicated college savings account, according to research from the Center of Social Development at Washington University in St. Louis. Ensuring top quality 529 programs is one of several initiatives by Frerichs’ office to make college more accessible.

Each year, [Morningstar](#) independently evaluates and rates college savings plans, assigning each a Morningstar Analyst Rating of Negative, Neutral, Bronze, Silver, or Gold. Bright Start has earned a Gold rating every year since Frerichs revamped the plans in 2017. In its review, Morningstar identified Bright Start as a “top choice for college savers” thanks to its “attractive menu, good state oversight, and competitive fees.”

Morningstar’s medal ratings represent composite scores of each plan’s performance across four key pillars - Process, People, Parent, and Price. Morningstar awarded Bright Start positive ratings across all four categories. Morningstar applauded the Illinois State Treasurer’s Office’s “focus on fees and continuous improvement.”

Illinois State Treasurer Michael Frerichs serves as Trustee and Administrator of Bright Start. Since 2015, Frerichs has worked with Union Bank & Trust, the program manager, to reduce fees and ensure more investment dollars go directly to college savings. These changes have helped the plans overseen by the Treasurer grow to more than 700,000 accounts with more than \$13 billion in assets.

Money in a 529 college savings account can be used at eligible educational institutions, including

public and private, two-year, four-year colleges and universities and certain technical and vocational schools. The investment grows tax-free when spent on qualified expenses.
