Request for Proposals PCI Compliance Portal Services
370-300-17-004

Addendum 1
July 13, 2017

Below are the questions received by the Office of the Illinois State Treasurer (“Treasurer”) and the Treasurer’s responses. Any capitalized terms that are not defined herein have the meaning set forth in the Request for Proposals PCI Compliance Portal Services (370-300-17-004) (“RFP”) published by the Treasurer on June 19, 2017.

1. Is there someone who was administrating this RFP that perhaps would just need to hop on [*sic*] call for an explanation of what is all included in the PCI DSS Audit and Compliance Services that was recently awarded to Trustwave?

All Questions regarding this RFP must be submitted in writing to Jim Underwood at junderwood@illinoistreasurer.gov. Because the two requests for proposals (RFPs) are requesting distinct services (compliance services versus portal services), it will be necessary for Respondents to bid on this second RFP in order to have the opportunity to also provide those services.
